

DAGESTAN STATE UNIVERSITY IZBERBASH BRANCH

Presentation

Dagestan State University has four branches and one of them is situated in Izberbash.

Izberbash branch begins its history in 1994 when the Humanitarian faculty was set up in the town and it trained the specialists in two fields:
“Jurisprudence” and “Finance and Credit”.

Later, in 1997 as a result of the improvement of educational and material base, the Branch of Dagestan State University with two faculties (*the Law faculty and the Economical faculty*) was founded.

The founder and the first director of the institution was
the Doctor of Economy, Assistant Professor
Habibulla Bashirovich Gadzhialiev.

He put a great contribution into the development of our branch.

Isaev Murad Guseinovich,

the Candidate of Economy, Assistant Professor, was the second director of Izberbash Branch.

He worked as the director from the end of 2010 up to 2014.

For the period of his work good conditions for a successful realization of educational and scientific process have been created in the branch.

From the end of 2014 and up to the
august of 2019 the Director of
Izberbash Branch was
Dzhavatov Dzhavat Kurbanovich,
the Doctor of Technical Science and
Professor.

He is a talented scientist and a successful leader.

At present time the Director of our Branch is Aliev Shapi Izievich, Candidate of Law Science, Assistant Professor

He directly rules the branch, drafts the strategy of the development of the organization and coordinates the interrelations of our branch and other units of the University.

The educational work and the planning of the activity of teaching staff are exercised under the leadership of the Deputy Director

Shugaibova Saida Shugaibovna,
the Candidate of Law.

Nowadays the teaching staff of the branch consists of 19 teachers; among them Doctors of Sciences and Professors, Candidates of Sciences and Assistant Professors, Candidates of Sciences and Senior lecturers.

The branch cooperates closely almost with all the Chairs of the Faculty of Economy and the Law Faculty of Dagestan State University.

Our branch has all modern academic facilities.

It has a stable material educational scientific and methodological base that includes three buildings for studies, a scientific library with a reading hall, a computer class and specially equipped classrooms.

The Scientific Council, one Chair and the Educational Department are set up and efficiently functioning here.

At present there are 455 students
in our educational establishment.

Most of the students of our branch are engaged in scientific work.

At our faculty there are students' scientific circles, problem groups and clubs.

Every year students' scientific conferences, seminars, round tables, Olympiads are held at our educational establishment.

Our students take an active part in all the events held at the University.

The branch provides all the conditions for good studies and leisure.

The administration and the teaching staff pay great attention not only to organizing educational process but also to the development of the creative potential and the organization of students' spare time.

The students of our branch are regularly involved in amateur activities: they have their music practice and attend dance and song groups.

Three years ago College was founded here on the base of our Branch. The student body is about 310. At present time the College is functioning successfully.

Without any doubts studying at our branch is not only interesting but also prestigious!

WELCOME to Izberbash branch of Dagestan State University!
